CIRCULAR

No. Fl. B. 10530-630—CR. 23-54-1. According to the provisions of Article 196 of the Mysore Financial Code, Volume I, read with Article 219 (3) *ibid*, bills for Supplies and Services (or invoices of a firm or private party) not paid out of Permanent Advance may be passed for payment in favour of parties other than the Drawing Officers, *i.e.*, in favour of the suppliers. It is also provided that such bills should be countersigned by the Departmental Officer after recording thereon the required certificates.

2 A firm or a private party does not use any prescribed or authorised form of invoice or bills for supplies made to Government departments, and consequently there is no uniformity in the form of the bills for supplies presented at the Treasury. In many cases the required certificates are either not recorded or recorded in an incomplete manner. To obviate the defects enumerated above the following revised procedure shall be followed in future.

3 Authorised Contingent Bill forms may be used for the drawal of the claims for supplies and services made by firms and private parties also. In such cases the bill or invoice of the supplier should be attached to the Contingent Bill as a sub-voucher. The endorsement for payment to the suppliers should be made on the contingent bill. The suppliers, after receipting the contents may, if they desire payment to a Bank, endorse the bill in favour of the Bank for collection only.

4 Drawing Officers shall also issue advices simultaneously to the Treasury and the Bank concerned giving full particulars of the bill whenever a Contingent Bill is endorsed to a private party.

CIRCULAR.

Dated 14th October 1954.

No. Fl. (B) 10630-730—C.R. 22-54-1. The Accountant-General, Mysore, has brought to notice a case of double payment of pay and allowances in respect of an officer due to non-verification of details of the Acquittance roll of the concerned month by the Drawing Officer and furnishing a non-payment certificate on the supplemental bill as a matter of course without satisfying himself regarding the correctness of the claim. Such double claims of pay on behalf of superior staff are understood to have come to notice frequently in Central Audit. The Accountant General has also reported that most of the Drawing Officers are not noting the fact of drawal of supplemental bills in the original Acquittance Rolls.

With a view to avoiding irregularities of the above kind, it is hereby directed that all supplemental claims be verified thoroughly by the Drawing Officers. Such claims should invariably be noted in the original Acquittance Rolls filled in their offices and a certificate in the following form recorded by them in all Supplemental pay bills:

"Certified that the supplemental claims preferred above have been verified with reference to the Acquittance Rolls for the concerned months filed in this office/the concerned offices and also that they have been noted against the entries shown therein as withheld or omitted."

Supplemental pay bills without the above certificate recorded therein by the Drawing Officers will not be paid at the Treasuries when presented for payment. This certificate has to be furnished in addition to the non-payment certificate prescribed in Article 172, Mysore Financial Code, Vol. I.
